DOG LICENSE APPLICATION

Under the City’s Animal Control Ordinance 05-06, your dog must be licensed for identification purposes. We require a copy of your current rabies certificate in order to issue your dog’s license. If mailed, we can return the rabies certificate to you with your dog’s metal license, or you can mail us a copy of the current rabies certificate. The metal license must be affixed to a permanent collar and worn by your dog at all times when off your premises. We will notify you when your dog’s license is about to expire.

By Resolution 2010-37, the fee for a non-sterilized dog is \$33 per year. If your dog has been spayed or neutered, the fee is \$13.25 per year. For your convenience, one, two, or three-year licenses are available to match the date your dog’s rabies certificate must be renewed.
