Led by a knowledgeable local historian, this intimate experience winds through Ferndale's iconic Main Street, where ornately preserved Victorian storefronts, Italianate designs, and grand Queen Anne homes reveal stories of the town's dairy wealth, bootlegging legacy, and one-of-a-kind characters.

Along the way, you'll stop at handpicked historic buildings for perfectly paired appetizers and craft libations from local producers, each selected to complement the style and story of the location.

This adults-only tour is perfect for lovers of architecture, history, and elevated tastings. Come explore "The Victorian Village" like never before.
